

2018 Cranswick Estate Cabernet Sauvignon

Australia > South Australia
100% Cabernet Sauvignon

Medium crimson red, with purple hues. The bouquet is filled with lifted black fruits, savoury spice and warm earthy aromas. The palate is full, round and smooth, with blackberry flavours and a hint of oak. Balanced by soft, fine tannins, it evolves into a pleasant, round finish.

About us

Founded by Graham Cranswick Smith, the wines take their cue from his family name, thought to derive from the Crane's Wyke (the village of cranes) in Yorkshire as recorded in the medieval Domesday Book. The Cranswick wines are expertly crafted to reflect the very best of Australia's winemaking heritage. Offering a three tier range of classic wines designed to be superb examples of Australian varietals from carefully selected vineyards in New South Wales and South Australia, the Sarus range being sourced from the Barossa.

Viticulture

The season produced steady spring and winter rains resulting in healthy, strong vines and good berries. Grapes are specially selected from small parcels of vines from South Australia. The vines are carefully cultivated to our specifications, with low yields producing intensely-flavoured grapes of outstanding quality

Recommendation

A full soft wine with fruit and oak characters, lends itself mostly to long cooked and braised red meat dishes such as braised oxtail and tomato pasta sauce and roast veal ribs with green olives. This wine, while ready to enjoy now, has cellaring potential. Store in a cool, dry environment
